MICHAEL O'CONNOR

SKILLS

HTML, CSS, JavaScript, jQuery, and Node.js. Several years in leadership positions, along with scheduling and communication.

EXPERIENCE

Haman Midwest, Worthington, OH – Bindery Specialist

MAY 2016 – JUNE 2020

- Write cutting programs for a machine to manipulate paper products.
- Work with the rest of the staff to increase production and reduce waste.
- Present problems and solutions directly to the shop owners.

Haman Midwest, Worthington, OH – Truck Driver

MAY 2015 – MAY 2016

- Pack and load a 25ft box truck with deliveries and supplies.
- Handle the shipping and receiving and communicate with shipping companies.

Hofbrauhaus, Columbus, OH – Line Cook

OCTOBER 2014 – MAY 2015

- Prep and set up the kitchen for service.
- Excellent grasp of safe food handling procedures
- Communicate with the rest of the kitchen to match timing and meal completion.

EDUCATION

The Ohio State University College of Engineering, Columbus, OH – Full-Stack Web Development Certificate

JANUARY 2021 – JULY 2021

Developed a strong understanding of full-stack web development. Learning skills in HTML, CSS, Bootstrap, JavaScript, jQuery, Node.js and strengthened my skills in teamwork.
